Medication and Care Plans

Medication held at School was returned to students at the end of last term, to be checked by parents that it is still relevant and within its use by date. Please ensure they bring any medication to be stored in School, to Student Services in the School Office. Please can we request that medication is in its original packaging, in date and clearly marked with the student's name? It is also important that any student who has been diagnosed with Anaphylaxis brings in a spare auto-Adrenalin injector and other relevant medication that is to be held at School. Thank you.
